attending the

Christa McAuliffe Technology Conference

"I Touch the Future, I Teach"

Christa McAuliffe

November 30 & December 1, and 2, 2004
at the Sheraton Nashua Hotel, Nashua, NH

sponsored by NHSAA and NHSTE

IF YOU MEET THE FOLLOWING CRITERIA:

- you are an educator....
- you can find a colleague(s) who will team up with you....
- you are willing to share what you learn at this conference with others in your school/district....
- you receive approval from your building principal....

YOU AND YOUR TEAM MATE(S) MAY QUALIFY FOR FREE REGISTRATION TO ATTEND THIS IMPORTANT EVENT FOR ONE DAY.

There are two different scholarship opportunities this year:

1. **Scholarships for Pairs** – There are 40 scholarships available to pairs of educators who wish to attend this event, but might not have an opportunity to do so because of restricted funding resources. Here's how to apply for a \$180 scholarship which will cover two persons' registration costs, including lunch, for one day:

- find a colleague who is interested in learning more about educational technology
- complete the application on page 85 stating why you would like to attend
- describe how you intend to share the information gained by attending this conference with others from your district.

2. **Scholarship for a District Team** – "The H. Charles Larracey Memorial Scholarship" – In recognition of H. Charles Larracey, we offer two team scholarships to a full day at the Christa McAuliffe Technology Conference.

These two, team scholarships are given annually in memory of H. Charles Larracey, who was a distinguished New Hampshire educational leader from Keene, and one of the original founders of this conference. Chuck always believed in teams and the power of high quality professional development.

The successful teams (2), will include between 8 and 12 members from a school system, including a broad representation of roles (Teachers, Administrators, School Board Members, and more). Your application should include a list of members, your reason for applying and it should signify your willingness to use the results for improving the use of technology in your schools. The scholarship will include free registration for all team members to one day of the conference. (A \$720-\$840 award per team.)
