

Institutional Bundle Pack

Buy a Bundle & Save a Bundle

Save Money: Bundle Packs are discounted 10% to 20%.

Save Time: Stop filling out multiple purchase orders. Buy one year's worth of NHSTE memberships, workshops, and events with one PO. You will get a coupon ID number to place on all registration forms on one entry single line. It's that easy!

Save Headaches: Less paperwork, less planning and more freedom to act on short notice.

More Flexibility: Get all your credits up front to distribute at your convenience.

More Participation: Freedom to get more people involved in technology professional development.

More For Your Dollar: Get 10% to 20% off the regular membership price of \$25, the typical Super Thursday price of \$15 (member price), and the McAuliffe Conference price of \$90 (member price).

A Better Way: There's now an easier way to link New Hampshire teachers, administrators and college students to the latest technology information and training. NHSTE is now offering Bundle Packs to K-12 school districts and higher educational institutions that open the door to NHSTE memberships, workshops and special events.

An Easier Way: Bundle Packs come in several sizes that are sure to fit your need and budget. Each pack comes with coupon ID numbers that can be used to pay for memberships, workshops or NHSTE-sponsored special events. Coupons can be passed out as needed, allowing a variety of teachers, administrators and staff to take advantage of these offerings. Higher Education Packs also include a number of honorary student memberships. Membership coupons can be used to enroll new members into NHSTE or to extend existing memberships.

A More Organized Way: Bundle Packs will solve a lot of bookkeeping headaches. That's because a number of memberships and workshops can be paid for in one purchase instead of having to process a number of purchase orders throughout the year. The coupons work like money, with each ticket having the value of \$15. That means one coupon will pay for a typical "Super Thursday" event. The annual dinner will require two coupons. Coupons are valid for one year from date of purchase.
