

Scholarship Application

Join those attending the

2011 Christa McAuliffe Technology Conference

“I Touch the Future, I Teach”

Christa McAuliffe

November 29, 30 and December 1, 2011
The Radisson Hotel & Expo Center, Manchester, NH

sponsored by NHSAA and NHSTE

If you meet the following criteria:

- you are an educator
- you have a colleague(s) who will team up with you
- you are willing to share what you learn at this conference with others in your school/district
- you receive approval from your building principal
- your school/district has a financial need
- your school/district has demonstrated a commitment to technology
- your application is received on time (*deadline is 10/21/11*)

**You and your colleagues may qualify for free registration
to attend this important event for one day.**

There are two different scholarship opportunities this year:

1. **Scholarships for Pairs** – There are forty scholarships available to pairs of educators who wish to attend this event but might not have an opportunity to do so because of restricted funding resources. Here's how to apply for a \$260 scholarship, which covers registration costs for two people, including lunch, for one day:
 - find a colleague who is interested in learning more about educational technology
 - complete the application stating why you would like to attend
 - describe how you intend to share the information gained by attending this conference with others from your district
2. **Scholarship for a District Team** – ***The H. Charles Larracey Memorial Scholarship*** is awarded in recognition of H. Charles Larracey, who was a distinguished New Hampshire educational leader from Keene and one of the original founders of this conference. Two team scholarships for a full day at the Christa McAuliffe Technology Conference are granted. These two team scholarships are given annually in memory of Chuck's belief in the potential of teamwork and the power of high quality professional development.

Successful teams will include between 8 and 12 members from a school system, including a broad representation of roles (Teachers, Administrators, School Board Members, and others). Your application should include a list of members, your reason for applying, and it should signify your willingness to use the results for improving the integration of technology in your schools. The scholarship includes free registration for all team members for one day (preferably the same day) at the conference. The amount of this award ranges from \$1,040 - \$1,560 per team.

Scholarship Information

2011 Christa McAuliffe Technology Conference Scholarship Application

This form can also be downloaded from the CMTC website (www.nhcmctc.org) on the **Attendees** page

For *The H. Charles Larracey Scholarship*, please attach a list of all team members including names and roles.
