

Individual Membership

2011-2012

NHSTE is pleased to announce our new online membership registration process for 2011-12

The recent upgrade of our NHSTE website and membership database now allows you to complete your membership application (new or renewal) online at your convenience and even pay with your credit card.

Details can be found on the NHSTE home page at www.nhste.org.

We plan on offering both free and Premium membership options.

The BASIC (free) NHSTE membership will keep you up-to-date on NHSTE professional development offerings and organizational information. All you need to do is provide us with your basic contact information.

The PREMIUM NHSTE membership includes the following . . .

1. **Stay Up to Date** – Receive editions of *Connections* newsletter. Receive frequent updates through the tech coordinator, tech teacher, and members' listserv.
2. **Have Your Voice Represented** – NHSTE representatives participate in public hearings, state level committees, and major grant initiatives.
3. **Access the Latest Professional Development** – Participate in NHSTE professional development events, partnered workshops, tech coordinators days, and brokered courses with other districts.
4. **Get More For Your Dollar** – Receive discounted registration fees on NHSTE sponsored events including CMTC and NHSTE workshops.
